DOODLE ARTBOOK

Thanks for taking the time out of your day to look at my doodle book.
For someone to care about my work is the highest compliment anyone can give me, so for you to care enough to even look at my book means so much

I know they're only doodles, not full, stunningly pretty illustrations and im sorry for that. Though because of that, I tried to make it a little fun to go through, i'll try to add comments frequently and dive deeper into things to alleviate the boringness, so i hope it helps. As a thank you, I tried to include extra things i never posted or talked about, maybe some fun stuff on the way

Again, thanks a bunch, and I hope you enjoy looking though the book!

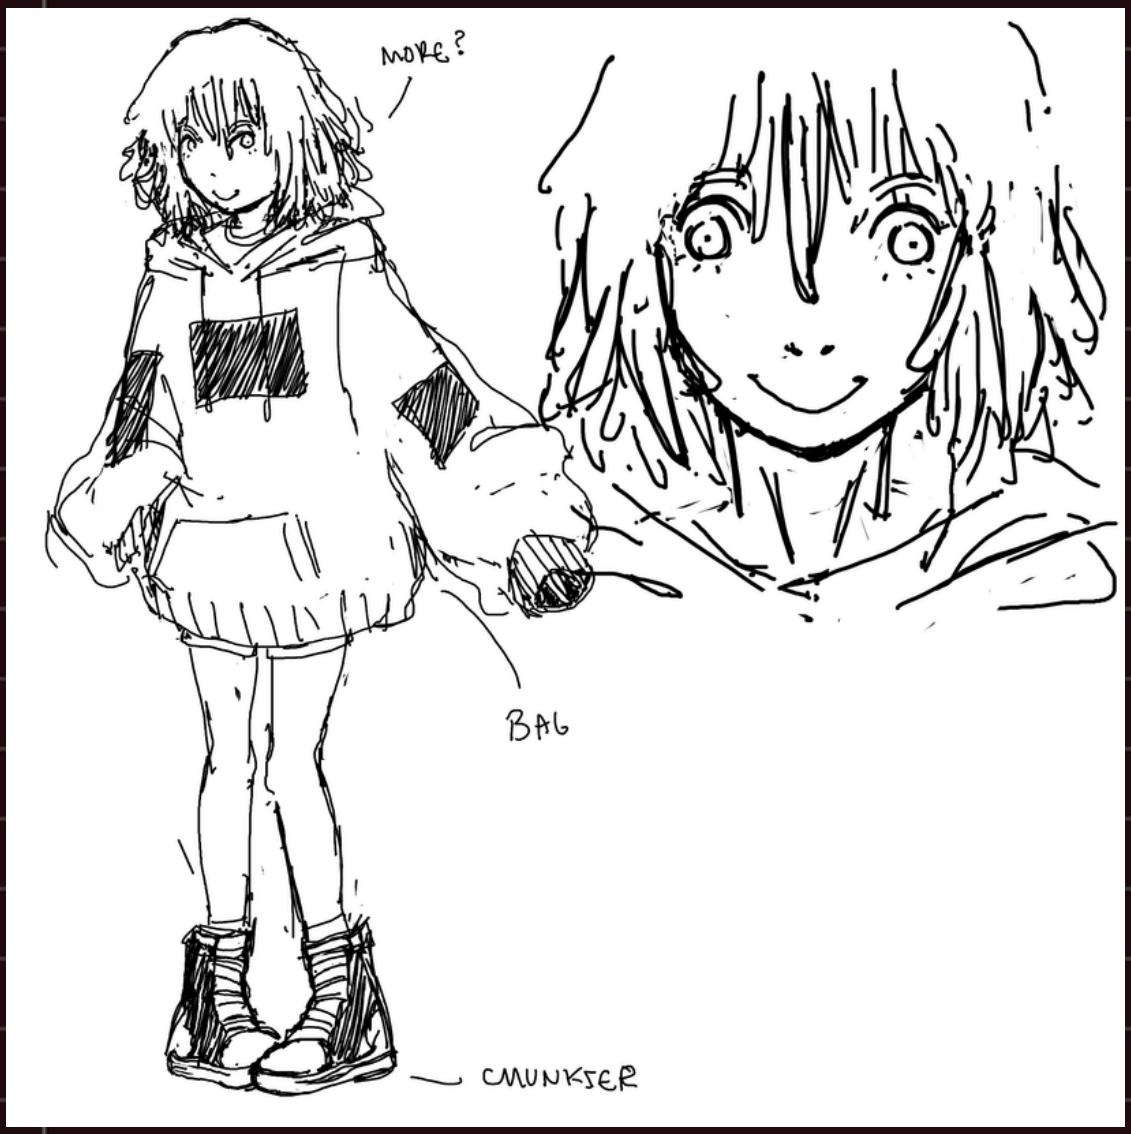

SECTION 01

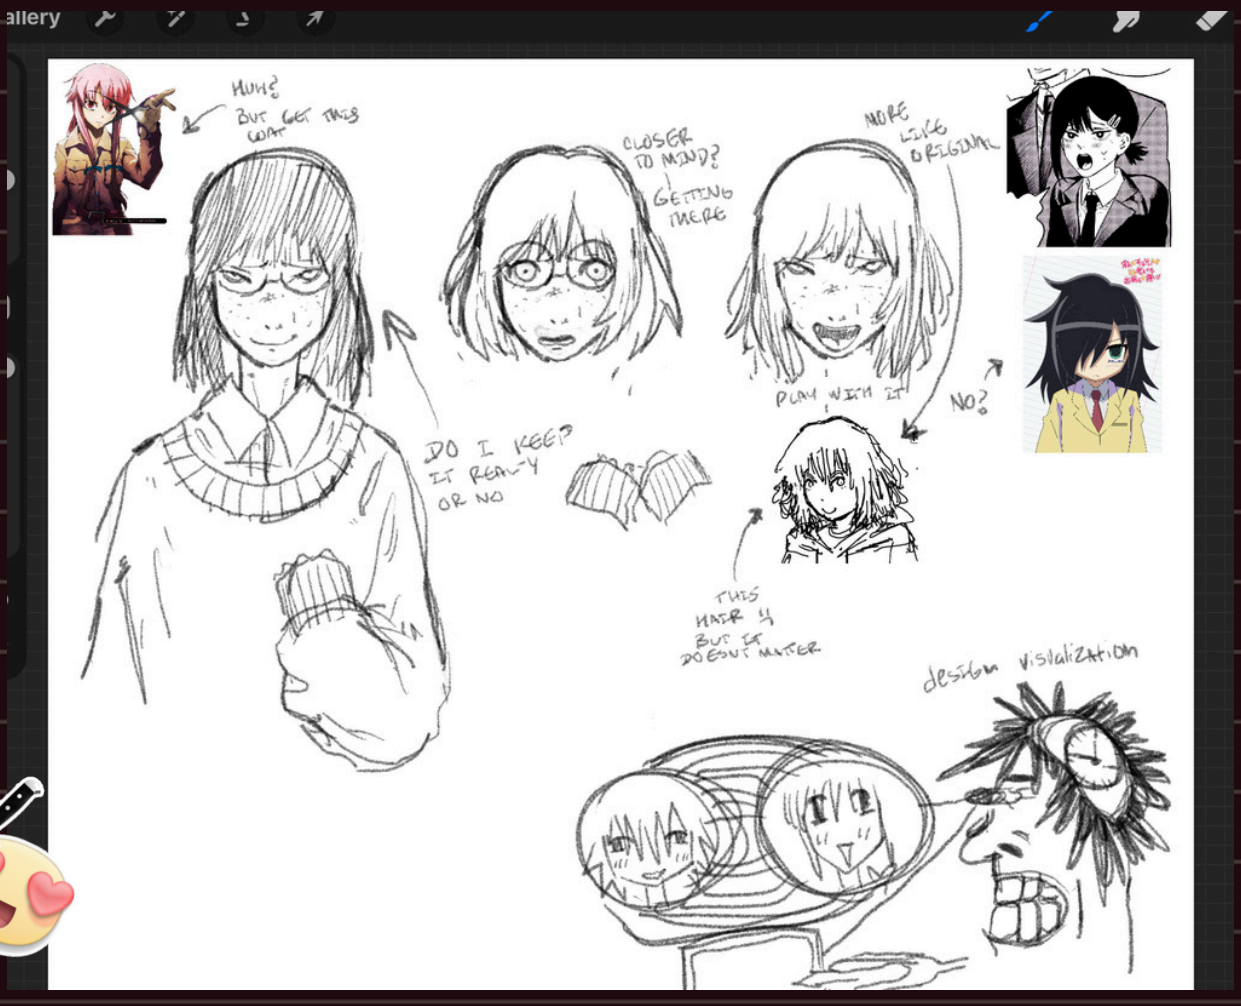

UGLY PSYCHO

Ugly Psycho was a manga / webmanga series i was planning on making. It features two teenagers, Ryn and Kuyoni, fighting for their lives after Ryn had entered both of them in a battle royale styled death game!

I think this is the manga idea that I drew the most stuff for. Kinda makes you think, why haven't I officially started drawing it yet? haha!

Original first draft Ryn concept art

Ryn redesign.

I knew that the first draft didnt exactly speak about the character very well, so i tried to redesign her with some other factors in mind. I think it looks much better

Ryn admitting that she might be a psychopath, supposed to happen somewhere near the end of the story

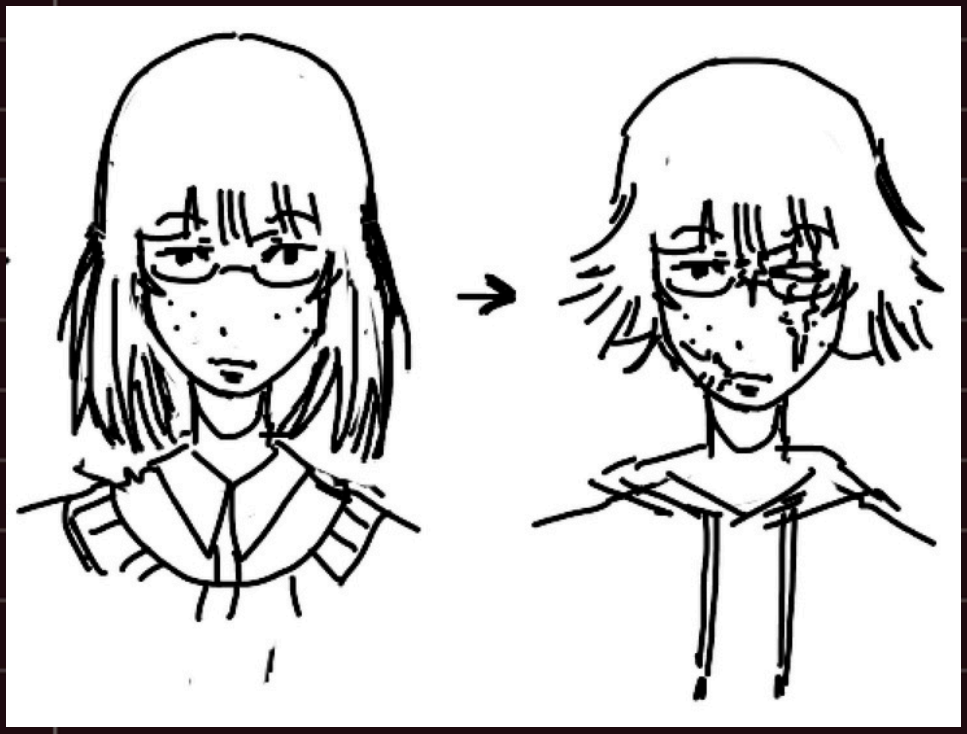

THE ORIGINAL IDEA FOR HER DESIGN IN PART 2 WAS THAT SHE WAS SUPPOSED TO CARRY AROUND THIS BATTERY, MACHINE THING. I EVEN HAD AN IDEA FOR HOW IT WOULD WORK. SHES PARALYZED, BUT ALIVE. HER BRAIN WOULD SEND SIGNALS TO THE MACHINE WHICH WOULD THEN SEND ELECTRICTRICITY THROUGH HER BODY, FORCING IT TO MOVE.

IN A WAY, IT WOULD FEEL LIKE SHE WAS PUPPETEERING HER LIMP BODY. I KNEW I WANTED TO MAKE HER ZOMBIE-LIKE SO I PUT THESE DISCOLORED STITCHED UP SKIN PATCHES ON HER. BUT I WAS SERIOUSLY CONSIDERING CUTTING OFF HER ARM OR SOMETHING.

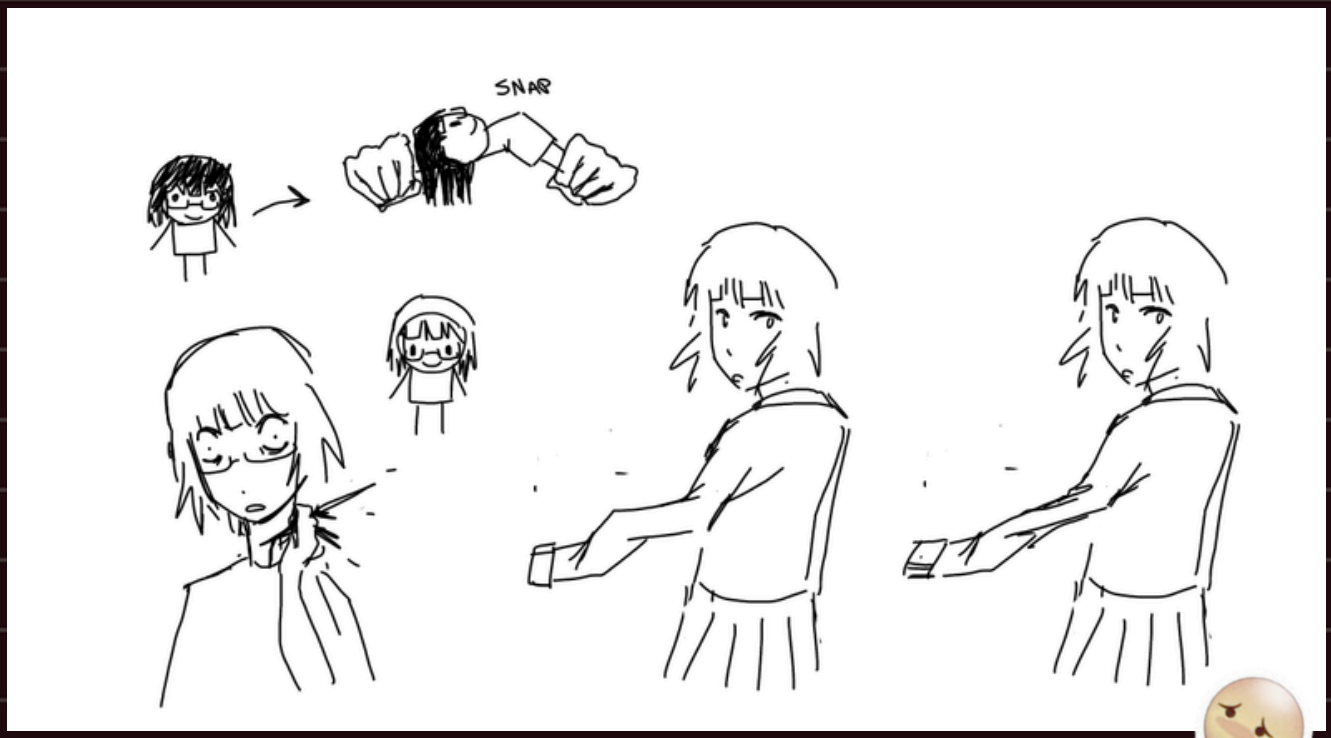

I ABANDONED THIS BECAUSE I DIDNT LIKE THE IDEA OF HER CARRYING A BATERY AROUND

MY ILLUSTRATION IS PRETTY SHITTY BUT YOU CAN MAKE IT OUT

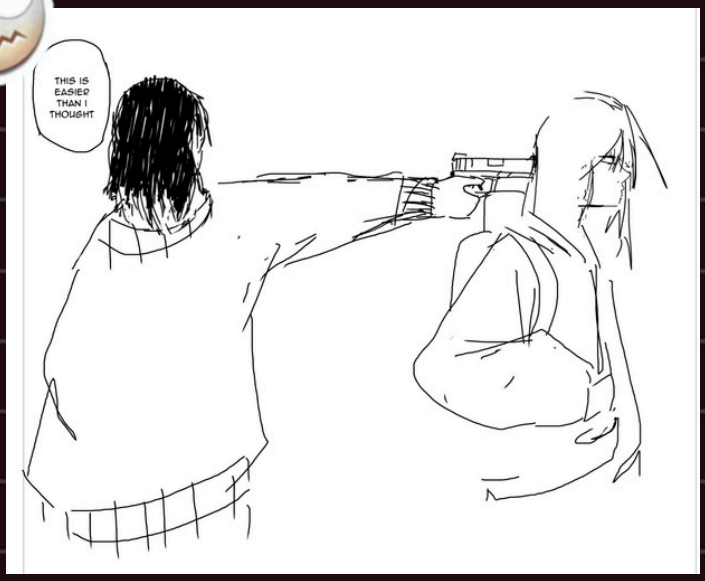

The difference between Ryn at the beginning and at the end of the story

The best possible outcome

GET REAL, BITCH

THIS IS EASIER THAN I THOUGHT

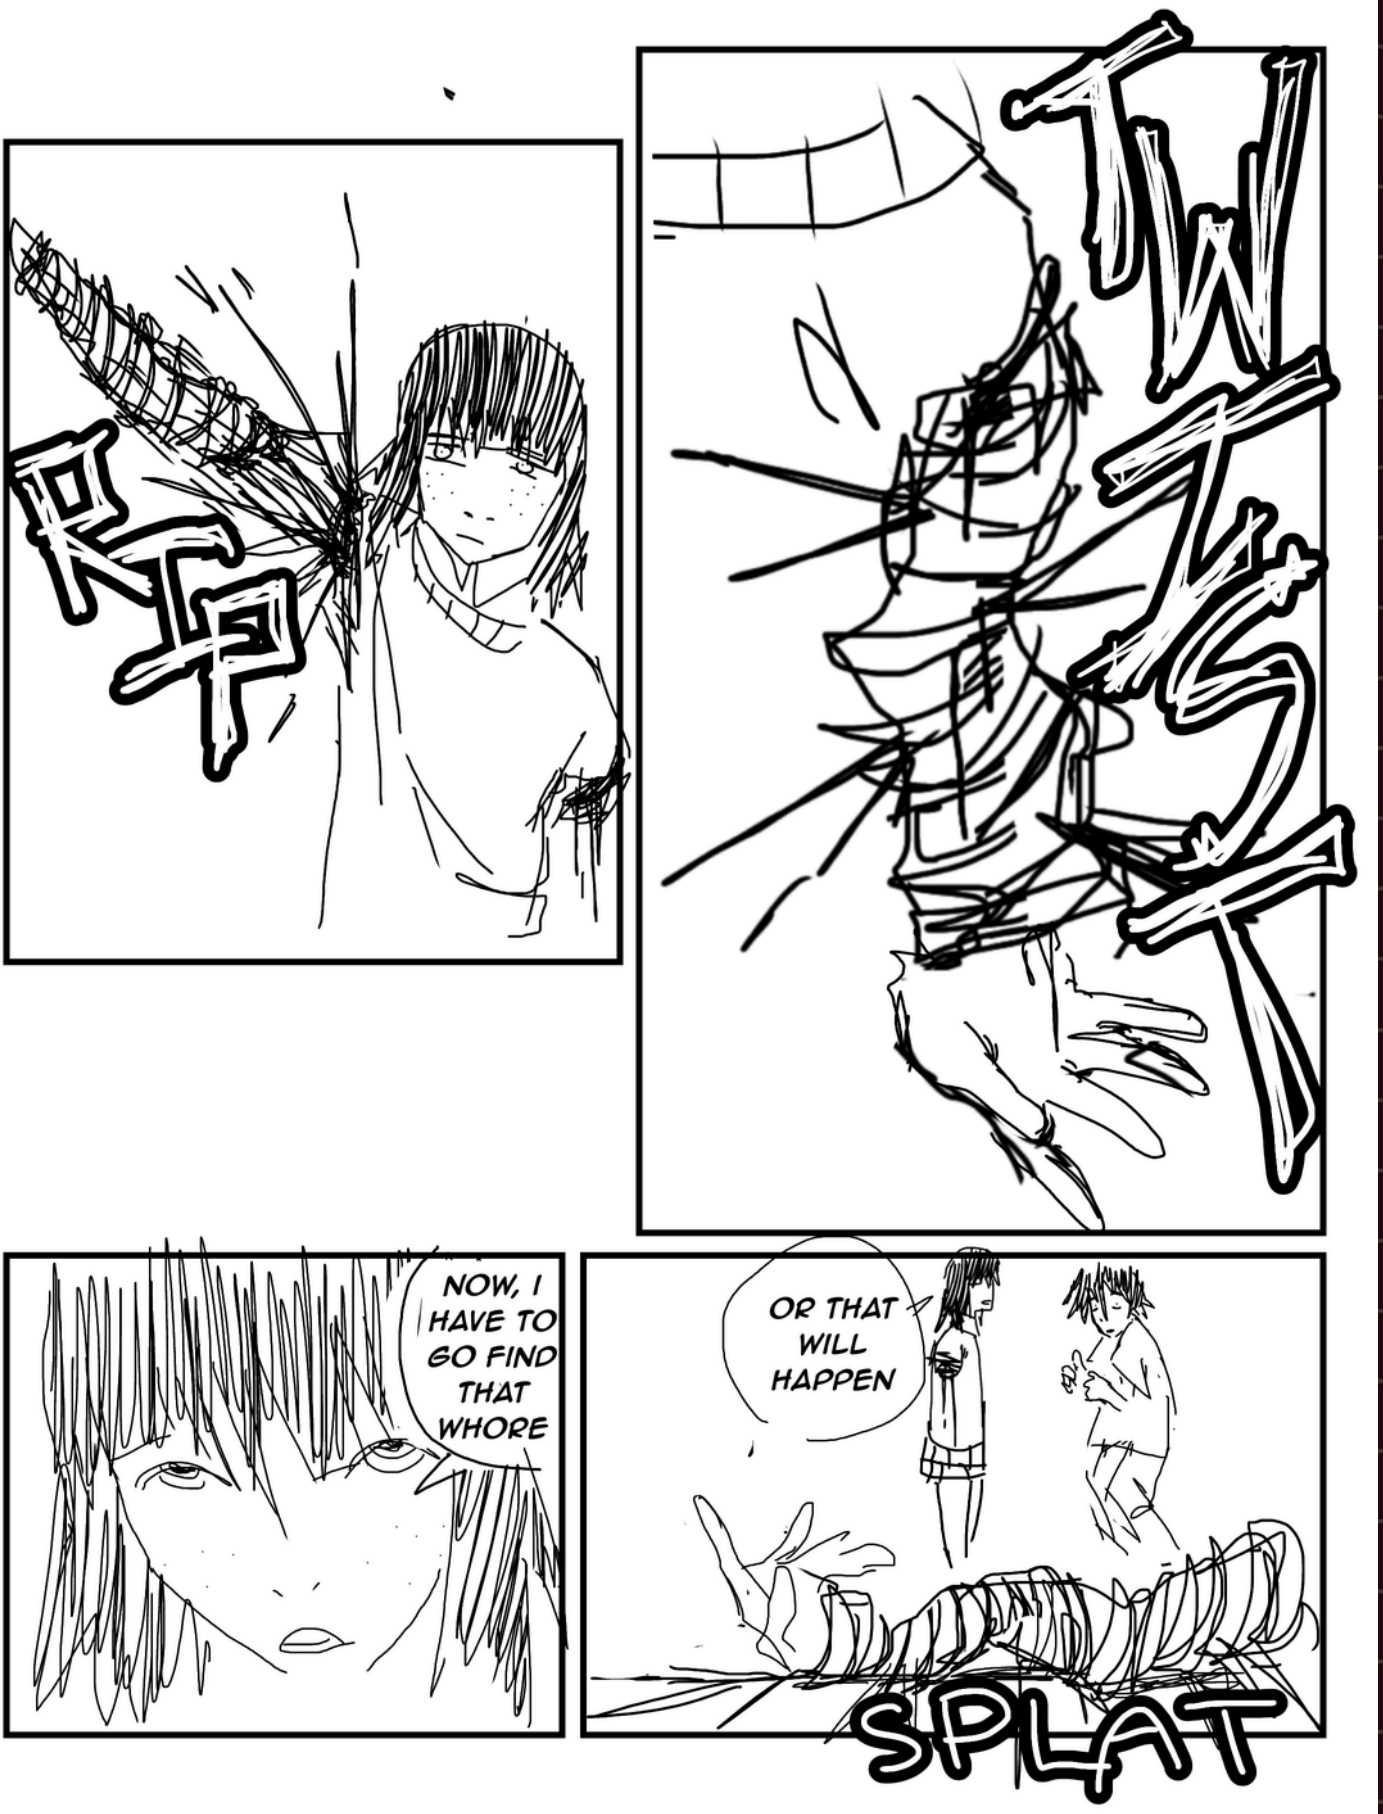

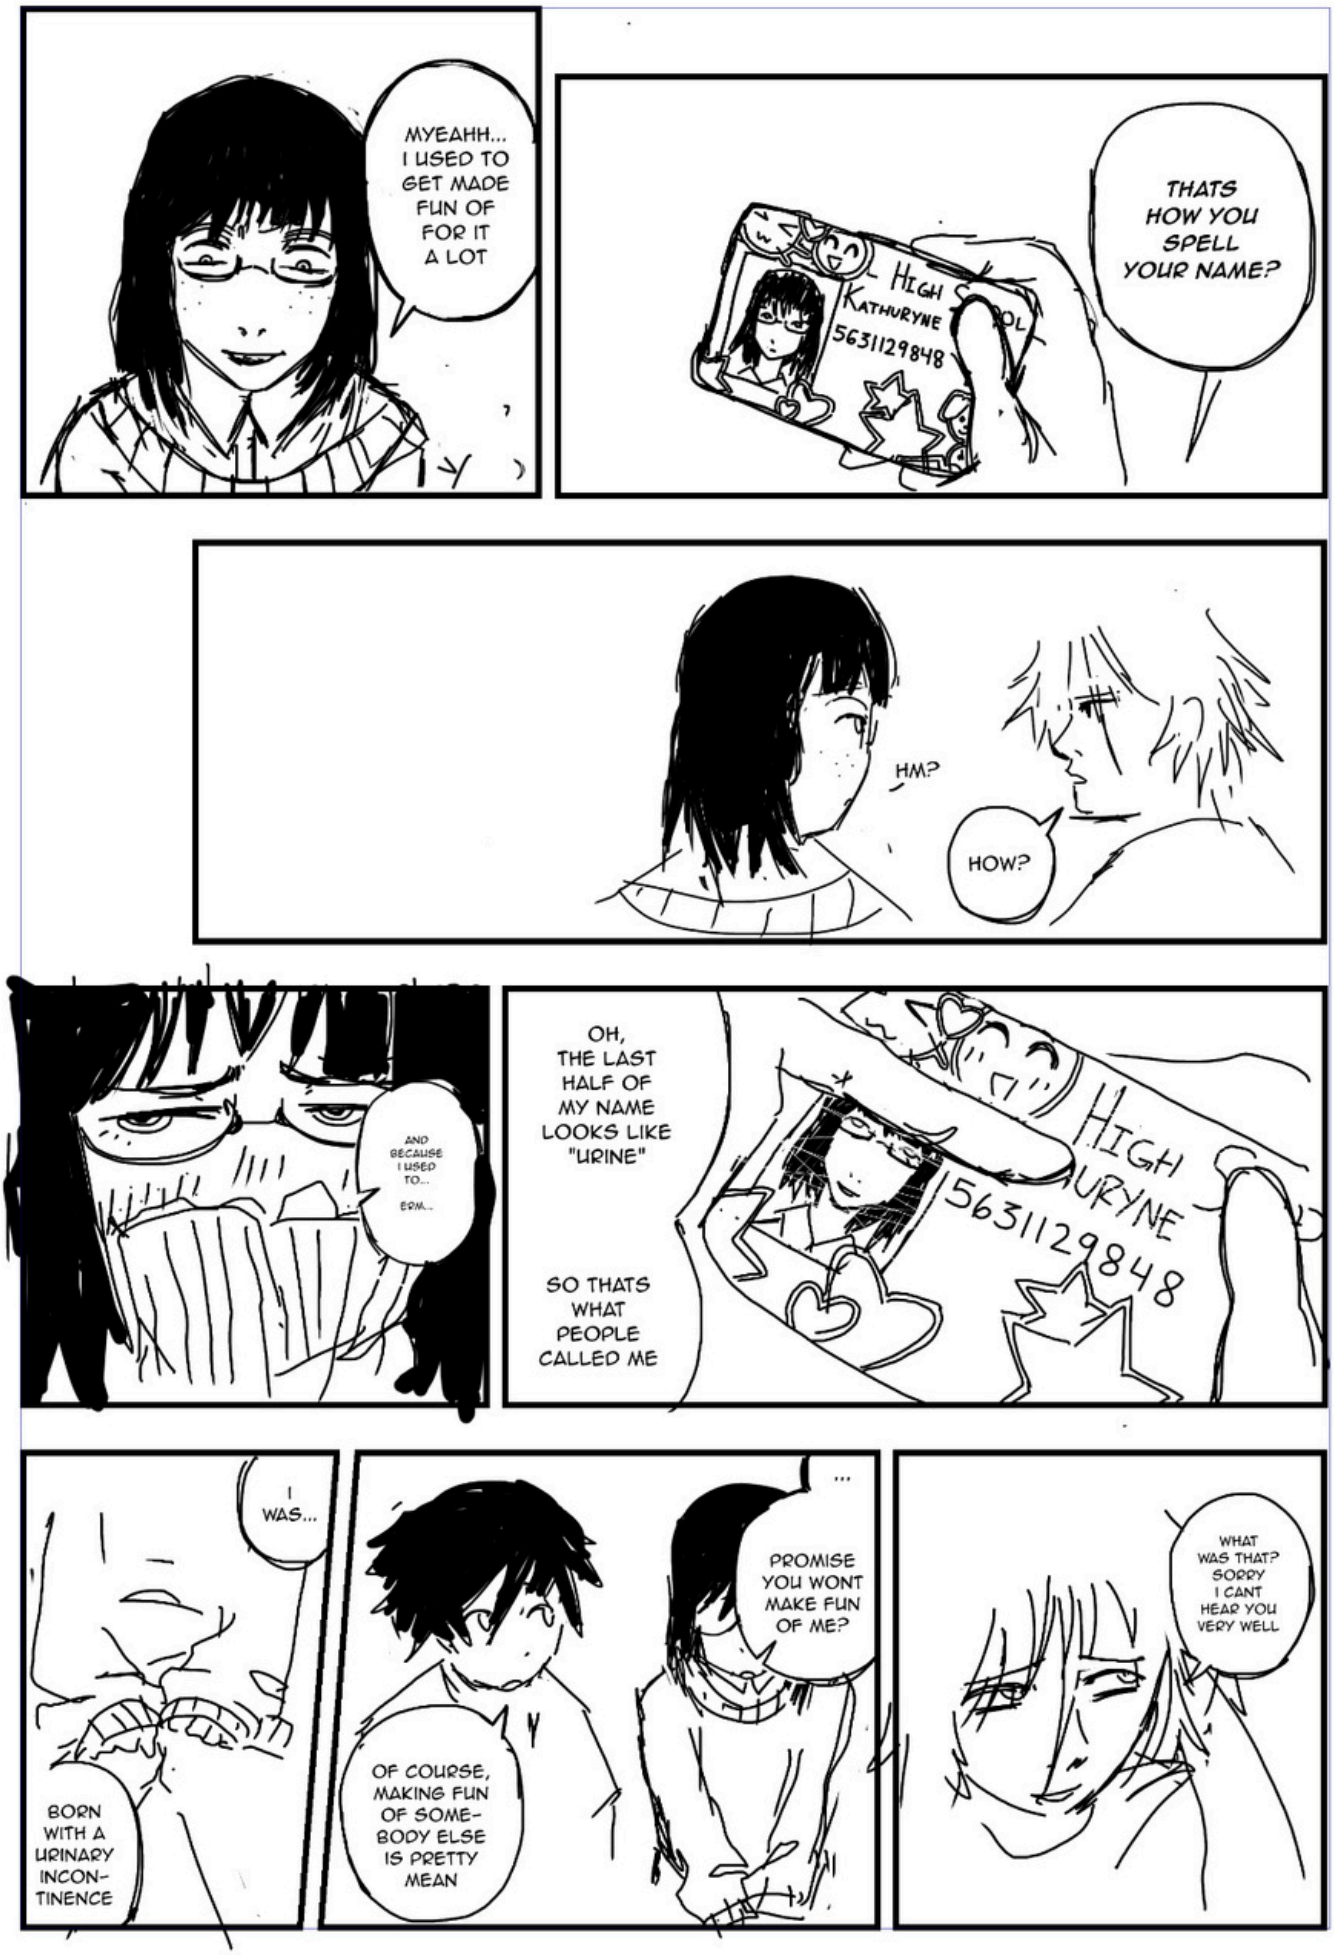

Photobashed photo of Ryn

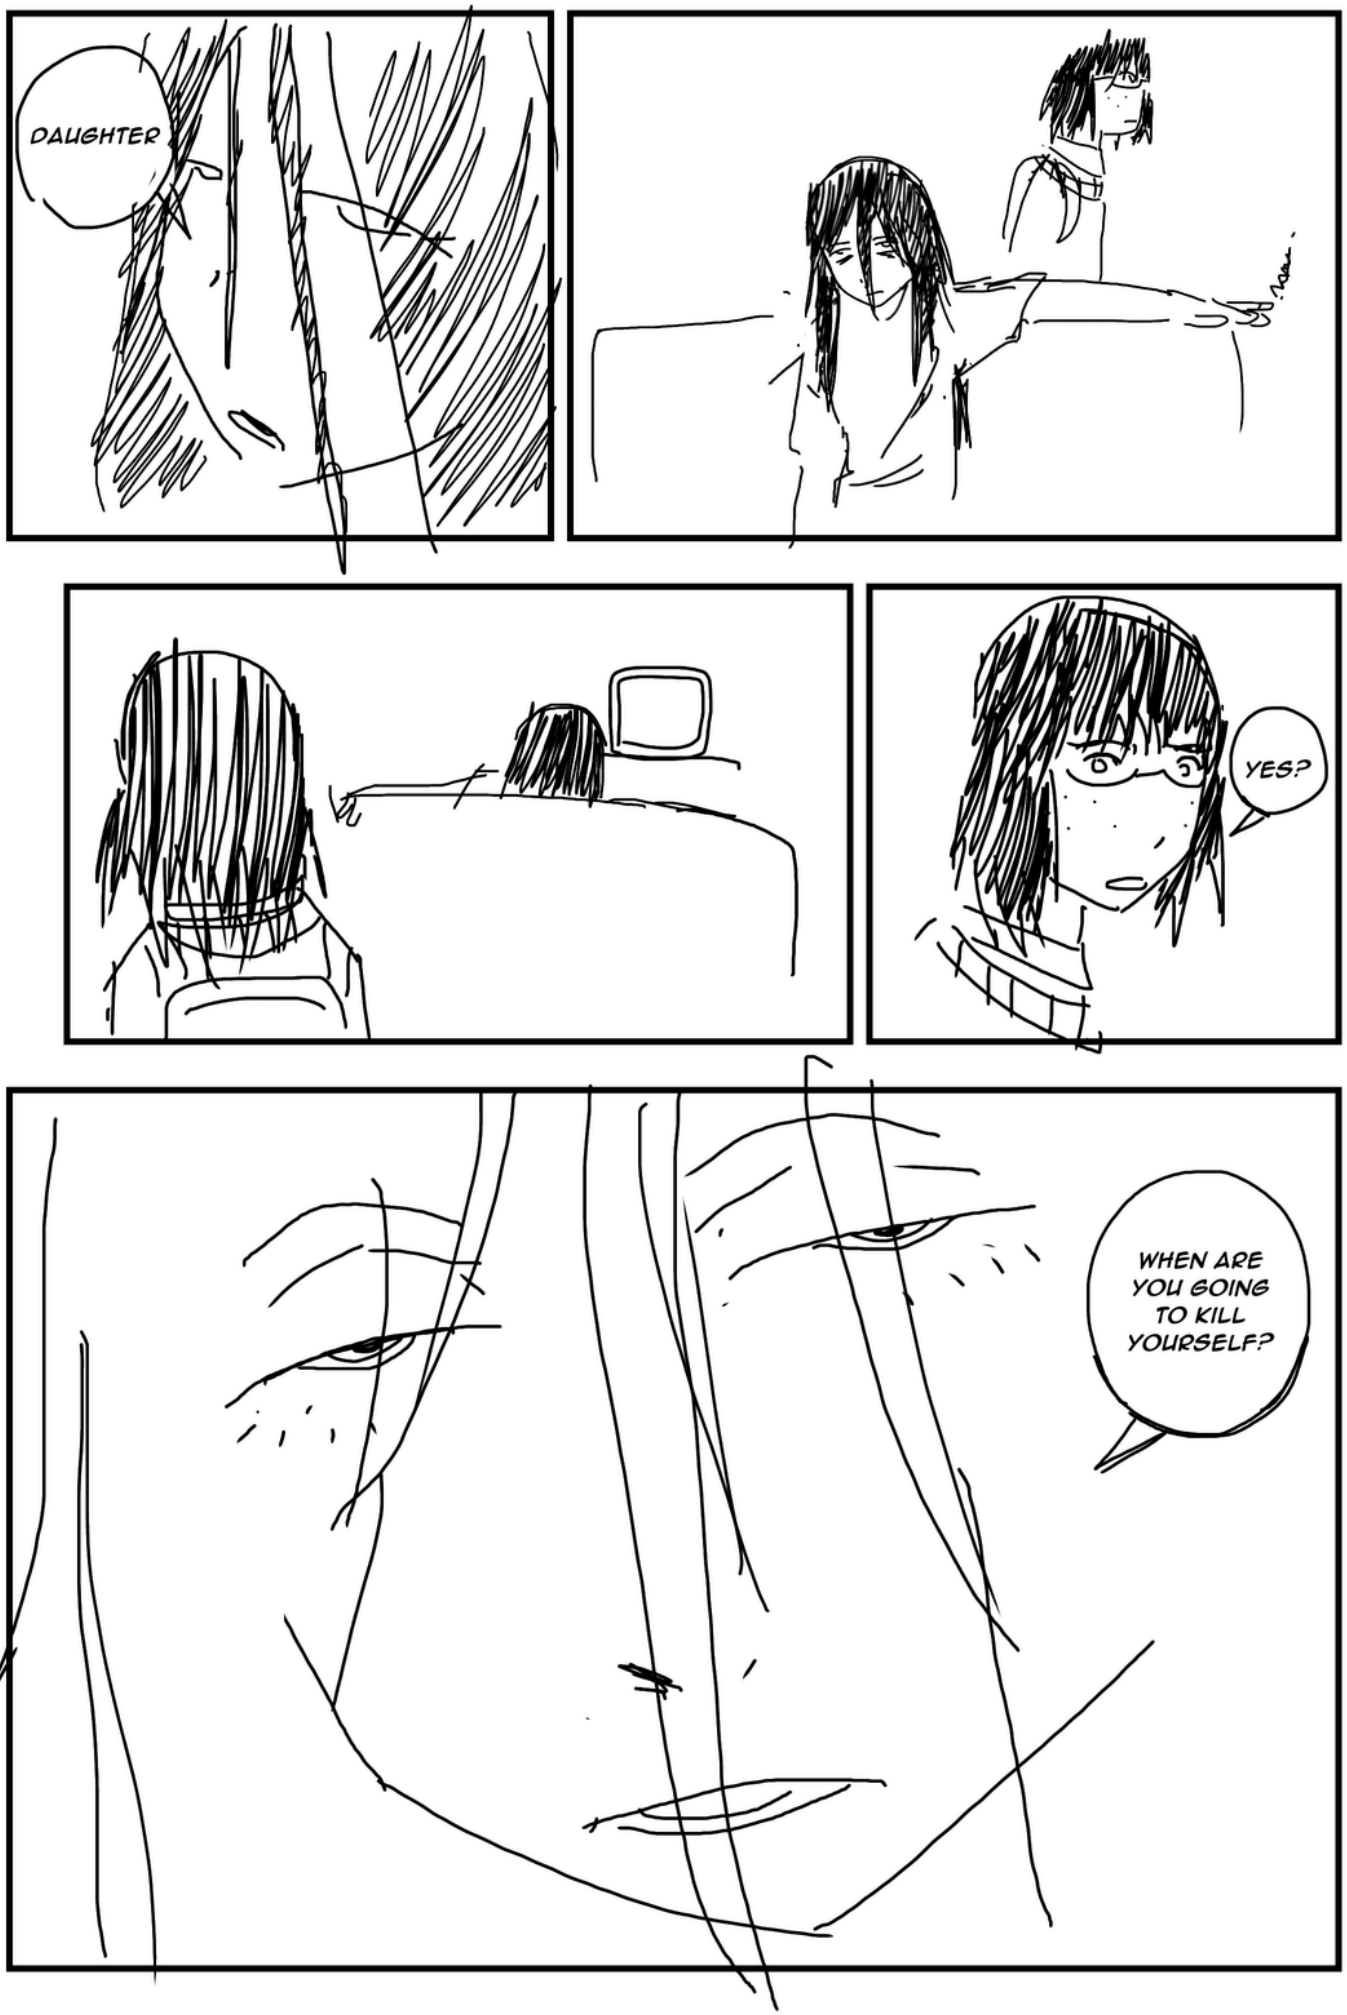

I know its not a doodle, but I wouldn't consider it a full illustration either, so i just put it here
